Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org. (Or call our hotline at 215 345 6789.)

If you are not satisfied with your current hearing care provider, present hearing aids, or poor hearing —

Call me to finally make a positive change in your life. Appointments are available Monday through Friday and some Saturday mornings. Others do you a disservice only being available a day and a half a week or owned by a manufacturer or dabble in hearing aids as a sideline.

I’m in private practice Audiology for 32 years and know first-hand about hearing loss because I wear hearing aids.

Isn't it time you did something about your hearing now so you can hear for the holiday season?
