When will films play?

Main Attractions

Film Booking. Our main films play week-to-week from Friday through Thursday. Every Monday we determine what new films will start on Friday, what current films will end on Thursday, and what current films will continue through Friday for another week. All films are subject to this week-to-week decision-making process. We try to play all of our Main Attraction films as soon as possible. (For more info on the business of booking films and why some films play longer or sooner than others, visit our website.)

When Will a Film’s Run Start?

After we decide on Monday (Tuesday at the latest) what new films will start on Friday, we immediately let you know on our website and on our hotline.

We’ll send you an email message every Tuesday as to what is coming and going on Friday. (Sign up by emailing us at comments@CountyTheater.org.)

If there is a particular film that you don’t want to miss, call our box office (215) 345-6789 ext. 6, and leave your name and telephone number and the particular film that you want to see (on the answering machine is ok). We’ll put that on our “Film Call List,” and then we’ll call you on the right Monday and tell you that your film is starting that Friday. (Two requests: please leave a telephone number where you have an answering machine, and please don’t request every film on the flyer.)

And When Will a Film’s Run End?

This decision happens by the same process – we decide on Monday which films will end on Thursday, and then tell you that your film is ending that Friday. (Two requests: please leave a telephone number where you have an answering machine, and please don’t request every film on the flyer.)

1907 Movies show in the back room of the former “County Linen” building at 22 South Main Street, it is called Hellyer’s Movie House.

1925 Doylestown’s first actual movie theater is built in 1925 at the location of the current County Theater. It’s called the Strand Theater and it opens on February 2, 1925. It’s operated by Nicholas F. Power and partner Joseph A. Wodock.

1938 The Strand is torn down, making way for the construction of a new, modernized theater. The County Theater opens on September 3, 1938 with a screening of Shirley Temple’s Little Miss Broadway. The County has the latest movie equipment and, more importantly, is equipped with air conditioning!

1950 The theater runs for a time as a dollar theater showing second run films. It also hosts occasional live rock concerts.

1960s The theater is closed to make major renovations. The theater re-opens after nine weeks of work. The building and its major systems and projection booth are now in excellent condition.

1970 The theater is closed. The Marquee is removed in October 1999 and is restored and re-installed in May 2000.

1999 The theater closes in 1992. Opera House takes over, and the building is divided into two smaller auditoriums. The theater faces hard times. The theater is run by two different independent operators to limited success.

1997 After a successful capital campaign in 1996, the nonprofit County Theater, Inc., purchases the building on April 1, 1997, and becomes the official owner of the County Theater.

1999 The开门 (Theatre) is closed to make major renovations. The theater re-opens after nine weeks of work. The building and its major systems and projection booth are now in excellent condition.

2000 A NOTE FROM THE EXECUTIVE DIRECTOR

Without the help and support of all of our members, the County Theater project would never have happened. Membership continues to be the bedrock of our success. Thank you all. Well also like to thank our Board of Directors, who guide and oversee the theater. Our current Board members are: Molly Lowell (President), Jeanne McLeod (Vice President), Cheryl Royer (Secretary), Ron Strouse (Treasurer), Herb Benninger, Jim Burns, Pamela Byers, Gregory G. Conn, Mary Beth Kieske, Jack McMillin, Richard Patterson, Scott Peterson, John Jefford, Sandra Teal Trainer, Lynn Taylor, Lois White, and John Toner (Executive Director).

Some additional renovations are on the way—like more lighting and a new PA system for Theater 1, so that we can better host special events. We’re also looking at replacing the carpeting in the inner lobby and theater aisles, as well as generally refreshing the inner lobby design. These changes will occur over the next 6-12 months.

Please give us your feedback. Your thoughts and suggestions and feedback are welcome. Email us at comments@countytheater.org or leave a message at 215-348-1878. And if you have any old photos or memorabilia of the theater, we’d love to see them.

Thanks, John Toner, Executive Director
