Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the next few weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play?
Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org  (Or call our hotline at 215 345 6789.)

Celeste and Jesse Forever
USA - Lee Toland Krieger – 1 hr 29 min
CELESTE & JESSE is an affectionate comedy about a married couple, played by Rashida Jones and Andy Samberg. She’s a smart and well-dressed marketing exec. He’s unemployed and looks like he just rolled out of bed. They decide to divorce, but to remain close friends. Needless to say, complications ensue. This is a fresh and appealing romantic comedy with winning performances from its leads.

Rust and Bone
France, Jacques Audiard, 1 hr 55 min
w/subtitles
A tender yet unsentimental love story about an injured woman who is confined to a wheel chair and a rough boxer who helps her gain new strength. RUST AND BONE beautifully blends a direct, raw naturalism with classical narrative filmmaking. This moving follow-up to Audiard’s A Prophet stars French siren Marion Cotillard and Bullhead breakout-star Matthias Schoenaerts.

Sleepwalk with Me
USA - Mike Birbiglia – 1 hr 30 min
SLEEPWALK WITH ME is a comedy written and directed by comedian Mike Birbiglia, who is also the film’s star. The film follows the “semi-autobiographical” journey of an aspiring comedian in denial about his girlfriend, his career, and, most significantly, his sleepwalking disorder. The more he fails to express his true feelings, the worse his sleepwalking gets. Produced by This American Life’s Ira Glass and featuring a stellar supporting cast.
Limited Engagements

We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email blast, so that you don’t miss these short, last-chance screenings.

Robot and Frank
USA – Jake Schreier – 1 hr 30 min
Set in the near future, Frank, who is retired, has two grown kids who are concerned he can no longer live alone. So they buy him a walking, talking robot programmed to look after him. This lovely and often hilarious film stars Frank Langella, who deftly handles the comedy while searching for emotional truth. With Susan Sarandon and Peter Sarsgaard.

Arbitrage
USA – Nicholas Jarecki – 1 hr 40 min
ARBITRAGE is a taut and alluring suspense thriller about love, loyalty, and high finance. Richard Gere plays a New York hedge-fund magnate who is trying to sell his business before his massive securities fraud catches up with him. But soon a dead body turns up as well - with the unwanted attention of the NYPD not far behind. Featuring superb performances by Gere, Susan Sarandon, and Tim Roth.

Anna Karenina
UK – Joe Wright
ANNA KARENINA is the third collaboration between acclaimed actress Keira Knightley and director Joe Wright (the other two being Pride & Prejudice and Atonement). This new effort is a bold, theatrical vision of Tolstoy’s epic novel. Set in 19th-century Russia, a married aristocrat enters into a life-altering affair. The movie features beautiful cinematography, stunning set design, and a script by Tom Stoppard. With Jude Law and Matthew MacFayden.

Chicken with Plums
France, Vincent Paronnaud & Marjane Satrapi, 1 hr 30 min, w/subtitles
This magical film, set in 1958 Tehran, is about a renowned musician who has lost his zest for life. As he mourns the destruction of a beloved violin, he plunges into reveries about life and his past. The movie’s set design is filled with lovely special effects and the film creatively incorporates animation in its flashbacks. This live-action gem is a delightful follow up to the filmmakers’ acclaimed Persepolis.

The Master
USA – Paul Thomas Anderson
Philip Seymour Hoffman stars as a charismatic intellectual who launches a religious organization in 1950s America. Joaquin Phoenix plays a drifter who becomes his right-hand man, but who then finds himself questioning the belief system of his mentor. With Amy Adams, Laura Dern, Jesse Plemons, and David Warshofsky. This highly-anticipated film is the first in 5 years from director Paul Thomas Anderson (There Will Be Blood, Magnolia).

The film, made in Nazi-occupied France during WWII, is seen as an allegory of that occupation.

Mark Haddon’s celebrated novel is beautifully adapted into a stage play by Simon Stephens. Although gifted with a superbly logical brain, fifteen year-old Christopher is autistic.
