Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play?
Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org (Or call our hotline at 215 345 6789.)

Hitchcock
USA - Sacha Gervasi – 1 hr 38 min
HITCHCOCK is a drama about filmmaker Alfred Hitchcock that takes place during the making of his movie Psycho. Anthony Hopkins is completely convincing as the iconic director and Helen Mirren is wonderfully acerbic as his underappreciated wife and working partner. Featuring superb supporting performances from Scarlett Johansson (as Janet Leigh), Jessica Biel, James D’Arcy, and Toni Collette.

Hyde Park on Hudson
USA - Roger Michell - 1 hr 37 min
This amusing drama is set in June of 1939, at President Roosevelt’s country estate in Hyde Park. King George makes a visit to plead for America’s support in WWII, but international affairs must be juggled with the complexities of FDR’s domestic life. Bill Murray plays FDR and brings his character alive with humor, intelligence and a sense of confident composure that seem entirely credible, as well as very entertaining. Laura Linney is likewise delightful as Franklin’s cousin and intimate friend.

Amour
France - Michael Haneke - 2 hr 7 min w/subtitles
AMOUR is a sober, gorgeously directed portrait of an elderly couple facing the terrifying questions of life and death. Georges and Anne are in their eighties. They are cultivated, retired music teachers, living in Paris. When Anne suffers a stroke, the couple’s bond of love is severely tested. With Jean-Louis Trintignant and Emmanuelle Riva.
MAIN ATTRACTIONS

Anna Karenina
UK – Joe Wright - 2 hr 10 min
ANNA KARENINA is the third collaboration between acclaimed actress Keira Knightley and director Joe Wright (the other two being Pride & Prejudice and Atonement). This new effort is a bold, theatrical vision of Tolstoy’s epic novel. Set in 19th-century Russia, a married aristocrat enters into a life-altering affair. The movie features beautiful cinematography, stunning set design, and a script by Tom Stoppard. With Jude Law and Matthew MacFayden.

Quartet
UK - Dustin Hoffman - 1 hr 35 min
This charming film tells the story of opera singers who reside in a retirement home for classical musicians. Each year, they arrange a concert to raise funds for their home. This year, however, rivalries reappear and plans begin to fall apart. With wonderful performances from Tom Courtenay, Billy Connolly, Maggie Smith and Michael Gambon, the theme of aging is explored with grace and humor. This is the first directorial effort of Dustin Hoffman.

The Impossible
Australia - J.A. Bayona - 1 hr 47 min
THE IMPOSSIBLE is about a family caught in the Southeast Asia tsunami of 2004, which is presented in a convincing and terrifying detail. Part of the appeal of this affecting film is that it puts you right in the moment at every stage, using authentic locations and tsunami survivors to hammer home the reality of this disaster. Naomi Watts and Ewan McGregor do some of their best work ever, as they try to find each other and their three young boys.

A Royal Affair
Denmark - Nikolaj Arcel - 2 hr 18 min w/subtitles
This sensational period drama from Denmark recounts the illicit romance between a young Queen and her royal physician. Set in the 1770s, A ROYAL AFFAIR captures the sense of the Enlightenment, which is percolating through Europe, and delivers a well-crafted fiction. An intelligent, realistic costume drama.

Rust and Bone
France - Jacques Audiard - 1 hr 55 min w/subtitles
A tender, yet unsentimental love story between an injured woman who is confined to a wheel chair and a rough boxer who helps her gain new strength. RUST AND BONE beautifully blends a direct, raw naturalism with classical narrative filmmaking. This moving follow-up to Audiard’s A Prophet stars French siren Marion Cotillard and Bullhead breakout-star Matthias Schoenaerts.

Limited Engagements
We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email blast, so that you don’t miss these short, last-chance screenings.

**The Magistrate**

Captured LIVE on Jan 17, 2013 from The National Theatre, London

John Lithgow takes the title role in this fast, brilliantly plotted farce set in Victorian London. A respectable magistrate finds himself caught up in a series of scandalous events that almost cause his disgrace. High-spirited carousing leads to outrageous mishap, culminating in proceedings in court the next day.

**People**

Captured LIVE on March 21, 2013 from The National Theatre, London

Britain’s celebrated comic playwright, Alan Bennett (*The History Boys*, *The Habit of Art*), debuts his hilarious new play. Nicholas Hytner directs. People spoil things; there are so many of them and the last thing one wants is them traipsing through one’s house. But with the park a jungle and a bath on the billiard table, what is one to do?

**This House**

Captured LIVE on May 16, 2013 from The National Theatre, London

James Graham’s biting and energetic new play strips politics down to the bone, to the practical realities behind the scenes. Set in 1974, when the UK faced an economic crisis and a hung parliament, THIS HOUSE follows a diverse and conflicting chorus of MPs as they battle and maneuver.
