Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. Additional unlisted films will also become available. This list is only an educated guess, though, since film release plans often change.

When will these main films play?
Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org  (Or call our hotline at 215 345 6789.)

The Past
France – Asghar Farhadi – 2 hr 10 min w/subtitles
Iranian Asghar Farhadi’s French-language, Paris-set follow-up to his celebrated A Separation is superb. Here an Iranian man reunites with his estranged French wife in Paris to finalize their divorce. This is soon complicated by secrets, lies and revelations as their cluttered pasts muddy the way forward. This is masterful filmmaking.

Dallas Buyers Club
USA - Jean-Marc Vallée - 1 hr 57 min
Matthew McConaughey stars as real-life Texas cowboy Ron Woodroof, whose free-wheeling life was upended in 1985 when he was diagnosed with AIDS and given 30 days to live. He decided to take matters in his own hands, tracking down treatments from all over the world. McConaughey shines in this riveting, sometimes funny, very powerful story. With a great supporting performance from Jared Leto.

The Invisible Woman
UK – Ralph Fiennes – 1 hr 51 min
Period biographical dramas don’t come much better than THE INVISIBLE WOMAN, an involving portrayal of the relationship Charles Dickens maintained with a much younger woman at the end of his life. The movie is beautiful in its camerawork and production design, and extremely British in its emotional restraint. Ralph Fiennes directs and stars opposite Felicity Jones.
LIMITED ENGAGEMENTS

We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email blast, so that you don’t miss these short, last-chance screenings.

INSIDE LLEWYN DAVIS
USA – Joel and Ethan Coen – 1 hr 45 min
The latest from the Coen Brothers, INSIDE LLEWYN DAVIS follows a young folk singer as he navigates the Greenwich Village folk scene of 1961. Guitar in hand, huddled against the New York winter, he struggles to make it against mounting obstacles. Beautifully made, this new Coens’ movie ranks with their best in its balance of biting satirical humor and deep melancholy. Starring Oscar Isaac and Carey Mulligan.

THE LUNCHBOX
India - Ritesh Batra – 1 hr 44 min
In Mumbai, India, a misdelivered lunchbox brings together two very different people — a neglected housewife and a solitary widower on the verge of retirement. This beautiful film effortlessly weaves themes of gender, class, and generational differences into a simple love story. Whether it’s cooking a meal, reading a letter, or riding a crowded train, the film’s small moments are precise and completely enchanting.

PHILOMENA
UK – Stephen Frears – 1 hr 35 min
A moving and often funny film about a woman looking for the son she was forced to give up at birth. After fifty years of searching, Philomena solicits the help of a cynical journalist in her quest. Judi Dench gives a compassionate performance as the long-suffering, but ever-optimistic mom and Steve Coogan complements her in his inimitable dry manner. Stephen Frears (The Queen) directed.

LE WEEK-END
UK - Roger Michell – 1 hr 33 min
LE WEEK-END stars Jim Broadbent and Lindsay Duncan as a British couple celebrating their thirtieth wedding anniversary with a weekend getaway in Paris. As they travel around the city, they revisit the highs and lows of their relationship, fight about their faults, and continue to run out of restaurants without paying the bill. A bittersweet, but very enjoyable love story.

LE ONLY LOVERS LEFT ALIVE
USA – Jim Jarmusch – 2 hr 2 min
ONLY LOVERS is a strong dose of cool wrapped in a hypnotic vampire movie. That’s right, it’s a Jim Jarmusch vampire movie. With Tilda Swinton and Tom Hiddleston as the hippest, most beautiful vampires ever. The film is an addictive mood piece, a nocturnal reverie that celebrates a century-old love affair. Set in Tangier and Detroit with stunning cinematography, glorious set design and amazing music, this is the filmmaker’s best work in years.

ENCORE: The Habit of Art
2 hr (with no intermission)
An encore broadcast of Alan Bennett’s acclaimed play starring Richard Griffiths, Alex Jennings and Frances de la Tour. An imagined meeting between composer Benjamin Britten and poet W H Auden. It looks at the unsettling desires of two difficult men, and at the ethics of biography. It reflects on growing old, on creativity and inspiration, and on persisting when all passion’s spent: ultimately, on the habit of art. Originally broadcast in 2010.

Coriolanus
3 hr (including two intermissions)
Donmar Warehouse’s production of CORIOLANUS, Shakespeare’s searing tragedy of political manipulation and revenge. When an old adversary threatens Rome, the city calls once more on her hero and defender: Coriolanus. But he has enemies at home too. Famine threatens the city, the citizens’ hunger swells to an appetite for change, and on returning from the field Coriolanus must confront the march of realpolitik and the voice of an angry people. With Tom Hiddleston and Mark Gatiss. Directed by Josie Rourke.

War Horse
3 hr (including two intermissions)
For the first time, the original landmark London production of WAR HORSE will be broadcast live in stunning HD. This hugely inventive production that features breathtaking life-sized horse puppets and has been described as “the theatrical event of the decade.” At the outbreak of World War I, Billy Narracott’s beloved horse Joey is sold to the Cavalry. So begins an incredible journey from the idyllic fields of Devon to the hellish trenches of France. Skillfully adapted for the stage by Nick Stafford from Michael Morpurgo’s bestselling novel.
FAMILY EVENTS
AT THE COUNTY THEATER

FAMILY FILMS ON THE BIG SCREEN
On Saturday mornings throughout the school year we will be showing children's favorites, both classics and new. These events allow you to share a big screen experience with your children, however, these films are not simply just the screenings. We aim to make these events fun and exciting experiences as well. We encourage your children (and you) to dress up in costume and we will have special events, sometimes with guests, in theme with each of the films.
