Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org (Or call our hotline at 215 345 6789.)

Limited Engagements
We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email, so that you don’t miss these short, last-chance screenings.

Hollywood Classics
The stars of Hollywood’s Golden Age return to the silver screen every week this summer. We’ve got a little bit of everything: comedy, romance, action, suspense, and family-friendly favorites. Whether you are enjoying these classics for the first or thirtieth time, seeing them on the big screen with an engaged audience is the perfect way to spend a summer evening. (And all these films have been digitally restored for the best viewing experience possible!)

Reduced admission for young patrons. Most of these Hollywood Classics are good for any age audience - and each film of the entire Classics series is only $3 for patrons 18 years old or younger. Also, if you dress “in the theme” of the movie - you get a free popcorn.

Plus some edgier choices. Not all of the films in this series are classics from the Golden Age. Some are edgier. They were not made for the entire family. But they definitely were made to be seen on the big screen. Are they new classics in the making? You be the judge. (We have included ratings, where available, in the credits.)

Sony Pictures Entertainment has just completed a painstaking 4K restoration of a number of Frank Capra’s classics. This summer we are proud to share three of these memorable films with you: *It Happened One Night*, *Mr. Deeds Goes to Town*, and *You Can’t Take It With You*. These heart-warming American gems helped define the Golden Age of Hollywood.
