Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org (Or call our hotline at 215 345 6789.)

The Lady in the Van
UK - 1 hr 44 min - Nicholas Hytner
A British drama starring the venerable Maggie Smith as an elderly transient woman who lives in a battered van near a playwright’s home. The two form an unlikely friendship when he allows her to park her van in his driveway, an arrangement that lasts for fifteen years.

Carol
USA - 1 hr 58 min - Todd Haynes
Cate Blanchett and Rooney Mara star in this period melodrama set in 1950s New York. A young department store clerk seeking a better life falls in love with an older, married woman. With brilliant performances from Mara and Blanchett and absorbing, nuanced filmmaking from director Todd Haynes, this quietly powerful film won high praise at this year’s Cannes Film Festival.

45 Years
UK - 1 hr 35 min - Andrew Haigh
Veteran actors Charlotte Rampling and Tom Courtenay star in this engaging domestic drama. Days before their 45th wedding anniversary, a couple receives a mysterious letter that could change their relationship forever. An expertly acted film that slowly comes to an emotional boil.
MAIN ATTRACTIONS

**Hitchcock/Truffaut**  
France/USA - 1 hr 20 min - Kent Jones  
Talented directors working today discuss the work and influence of master filmmakers Alfred Hitchcock and Francois Truffaut. In 1966, Truffaut published a book entitled “Hitchcock/Truffaut,” based on conversations between the two directors. That’s a perfect jumping off point for this fascinating work about the art of the movies.

**Trumbo**  
USA - 2 hr 4 min - Jay Roach  
The life and times of the biggest screenwriter in Hollywood, Dalton Trumbo, when he was blacklisted in the Fifties for his political beliefs. Bryan Cranston plays Trumbo in this passionate and revealing film. Also starring Diane Lane and Helen Mirren.

**Heart of a Dog**  
USA - 1 hr 15 min - Laurie Anderson  
This immensely praised documentary follows musician and master storyteller Laurie Anderson as she reflects on life, death, and the passing of her beloved dog. Covering a wide range of topics, this doc is a unique and engaging film experience.
**Limited Engagements**

We try to play each of our Main Attractions films for a full multi-week run. Sometimes, however, we are unable to play a film in a timely or complete way, and it becomes a question of either squeezing it in or not playing it at all. We then often schedule that film for a couple of mid-week screenings, called Limited Engagements. Make sure that you sign up for our weekly email, so that you don’t miss these short, last-chance screenings.

---

**Youth**

*Italy - 1 hr 58 min - Paolo Sorrentino*

In English

The latest from the celebrated Italian director Paolo Sorrentino, YOUTH is a masterful combination of stylish choreography, gorgeous cinematography, and powerful performances. An aging orchestra conductor, on holiday with his daughter and best friend, reflects back on a life in the arts. Starring Michael Caine and Harvey Keitel, with a talented supporting cast including Rachel Weisz and Paul Dano.

---

**Anomalisa**

*USA - 1 hr 30 min – Charlie Kaufman & Duke Johnson*

Writer/director Charlie Kaufman (*Being John Malkovich, Adaptation*) returns with a wonderful surprise: this stunning stop-motion animated film. It's about a celebrated writer in the midst of an existential crisis who seeks human connection during a night at a hotel. Equal parts tender and humorous, this animated film for adults is unlike anything you have ever seen, which is exactly what you'd expect from Kaufman.

---

**Son of Saul**

*Hungary - 1 hr 47 min - Laszlo Nemes - w/ subtitles*

A scorching drama about an Auschwitz prisoner in 1944 who is torn between trying to give a young boy a proper Jewish burial and joining an uprising. Winner of four awards including the Jury Prize at the 2015 Cannes Film Fest, SON OF SAUL is a visually stunning, masterful film that does not flinch from its horrifying subject. Featuring a spellbinding film debut by actor Geza Rohrig.
