Main Attractions
What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org (Or call our hotline at 215 345 6789.)

Miles Ahead
USA - Don Cheadle - 1 hr 40 min
Actor Don Cheadle makes his directorial debut with this unconventional drama about one of jazz’s most acclaimed (and notorious) stars, Miles Davis. The story centers around two days in the 70s, when a journalist tracks down Davis after years of absence from the music scene. MILES AHEAD is imaginative and original. Starring Don Cheadle, Ewan McGregor, and Michael Stuhlbarg.

Demolition
USA/Canada - Jean-Marc Vallee
1 hr 40 min
The director of Wild and Dallas Buyer’s Club returns with DEMOLITION, starring Jake Gyllenhaal. After the tragic loss of his wife, a successful investment banker begins to unravel. An elegantly directed, lively dark comedy with profound touches of humanity. Also starring Naomi Watts and Chris Cooper.

1 hr 31 min - In English
One of the most celebrated films from this year’s Sundance Film Festival, **MORRIS FROM AMERICA** features a charming performance from newcomer Markees Christmas. **Anomalisa**
USA - 1 hr 30 min – Charlie Kaufman & Duke Johnson
Writer/director Charlie Kaufman (*Being John Malkovich, Adaptation*) returns with a wonderful surprise: this stunning stop-motion animated film. It’s about a celebrated writer in the midst of an existential crisis who seeks human connection during a night at a hotel. Equal parts tender and humorous, this animated film for adults is unlike anything you have ever seen, which is exactly what you’d expect from Kaufman.

**Maggie’s Plan**
USA - Rebecca Miller - 1 hr 32 min
This offbeat romantic comedy stars Greta Gerwig as the independent Maggie who falls in love with a married professor/writer played by Ethan Hawke. Over the course of three years, Maggie begins to have doubts about the strength of their relationship. Julianne Moore is amazing in a supporting role as Hawke’s ex-wife.
