Main Attractions

What main films will play at the County? This section lists the Main Attractions that we intend to play in the coming weeks. This list is only an educated guess, though, since film release plans often change. (Additional unlisted films will also become available.)

Scheduling our Main Attractions is week-to-week. On Monday, we decide what main films will play starting that Friday. On Tuesday and Wednesday, we set the showtimes for the upcoming week and then update our website and telephone hotline. We also send out a weekly email (which you can receive by signing up at our website). Sometimes, we book a main film a few weeks in advance, which we post on our website’s “Coming Attractions” section.

For our latest Main Attractions plans, visit: CountyTheater.org (Or call our hotline at 215 345 6789.)

Loving
USA - Jeff Nichols - 2 hr 3 min

It's a powerful, well-acted film starring Joel Edgerton, Ruth Negga, and Michael Shannon.

Denial
UK - Mick Jackson - 1 hr 50 min
Acclaimed playwright David Hare wrote the powerful screenplay for this legal thriller. Based on the real life case of an American historian who was sued for libel after accusing a British author of Holocaust denial. Starring Rachel Weisz, Tom Wilkinson and Timothy Spall.

Nate Parker's film about the Nat Turner slave rebellion is one of the most talked about films of the year. Fearless filmmaking from a fresh new voice, THE BIRTH OF A NATION is gripping and moving. A must see cinematic event.

La La Land
USA - Damien Chazelle - 2 hr 6 min
Damien Chazelle’s follow-up to his surprise hit Whiplash is a stylish musical set in modern day L.A. brimming with old Hollywood charm. The County Theater’s Proposed Expansion

The County Theater has purchased the “Poor Richards” building next door and intends to expand its theater operations onto that parcel. We have reached out to our members and friends to help us with that process. Here is some of your feedback.

Your Feedback:
Over 900 people have responded to our survey about the County Theater’s proposed expansion and over 300 people have come to our 7 in-person meetings at the theater. Here is what you said is most important:

1. First Floor Bathrooms.

2. Staying true to our mission as a movie theater.

3. Providing more film options.

Other things that you said should be considered:
- A community meeting space
- A multi-purpose stage
- Staying true to the “feel” of the County Theater and Doylestown
- Serving non-candy and alcohol options
- Stadium seating
Moving Forward:

1. **Expert planning.** We are hiring an architectural firm and a fundraising consultant to help guide us through the ongoing planning process.

2. **Continued engagement and feedback.** We will continue to include you, our members and friends, in our planning. This fall there will be multiple on-line and in-person opportunities to help shape our ideas into concrete plans.

3. **Our timeline.** We are still on schedule. The remainder of 2016 will be spent planning. In 2017, we will begin to formalize our building plans and to start our major fundraising. In 2018, we hope to start construction. All subject to review.

4. **Your help is needed.** Stay connected by signing up for our weekly email. We'll be calling upon you in specific ways as we move forward. Thank you.
